Colorado's True Ranch Experience

Seasonal Information - Summer 2009

OUR PHILOSOPHY

A happy horse makes for a happy ride

Rusty Spurr ranch is a short, beautiful drive away from Dillon, Breckenridge, Vail and Leadville; close enough to be convenient, yet far enough from the crowded towns that you can have a true western ranching experience in a single day.

The Ranch

Ranch living is more than a summer pastime; for us, it's a way of life, and a passion. Our wranglers are all old hands at riding horses and punching cattle, and some of us live on the range year-round. We enjoy spending time with each guest as we rope and ride, whether we're helping out with your riding skills or answering questions, or just getting to know each other. Our horses are members of our family, we make sure they get our love, respect and days off for swimming. From the stables at Cow Camp to ruins of homesteader cabins out on the range you may get the chance to spot elk, antelope, deer and other Colorado wildlife. Whether you choose a Backcountry Trail Ride, Cattle Drive, Outlaw Ride, or our Saddle & Paddle Adventure you can expect the most unique ranch experience in Colorado. The Rusty Spurr ranch has the all the hospitality and authentic cowboy experience folded into our beautiful 10,000 acre ranch. Step out of the towns and into the wilds, and allow us the opportunity to extend our welcome to you and your family.

The Rides ~ No Nose to Tail Rides at The Rusty Spurr Ranch!

The Cowboys and Cowgirls at the Rusty Spurr love to take people out on our undeveloped and diverse landscape, far from the hotels and highways and busy tourist spots. Take one of our memorable Colorado trail rides through the silent trails and breathe the clean mountain air as you navigate your horse through tranquil aspen and evergreen forests. Marvel at the unrivaled panoramic mountain views of the Continental Divide, Never Summer, and Gore ranges. Learn a new skill or challenge yourself by taking part in one of our authentic Colorado cattle drives, with friends or the entire family.

Cattle Drives

Backcountry Trail Rides

Outlaw Performance Rides

Saddle & Paddle
